

Promoting Ethics in Research and Clinical Practice: Second Annual Workshop

Date: April 4 - 5, 2023

Venue: Paradise Hotel

Time: 8:30 am - 1:00 pm GMT

Workshop Goals:

1. Discuss the principles of ethics and application to clinical practice.
2. Identify strategies to strengthen the ethical aspects of clinical practice in the Gambian context.
3. Identify government and non-government funding sources for research and scholarship.
4. Discuss mentoring and mentorship programs to build capacity.
5. Recruit candidates for the GamREMTI certificate program.

Attendees may observe COVID-19 combined precautions as appropriate. Thanks for your cooperation.
